

PARTNERSHIP · LIFESTYLE & TRAVEL

Bring a host. *Take the stay.*

Two complimentary nights in West Africa — when the owner you introduce becomes a host on isisel.com.

This is not a paid post and not a cash deal. It is a **stay for a listing**. You open a door. When that host is approved, we host you for two nights on the platform.

A simple exchange

Isisel is an African vacation-rental marketplace. Your audience already sends people toward homes, food, and cities. We need those homes on www.isisel.com. You get the stay.

01 · INTRODUCE

Name a host

A villa, guesthouse, family house, or small hotel in West Africa — owned by someone you know or can reach.

02 · THEY JOIN

They list

The owner applies at www.isisel.com/host/onboarding and is accepted as a host. We help them if they get stuck.

03 · YOU STAY

Two nights

We coordinate two complimentary nights in a West African country on isisel.com, on dates the host can offer.

Destinations we have in mind

Any West African country where we can place you with a live host. Preference for the city you help open.

Senegal

The Gambia

Guinea

Mali

Ghana

Côte d'Ivoire

Nigeria

Benin

Togo

Burkina Faso

Cape Verde

Sierra Leone

Liberia

Guinea-Bissau

We are a small team. Reply to the email this brief arrived with — tell us who you would introduce, and where you would like to stay.

What this is — and is not

Clear terms keep the partnership honest. Read these before you introduce anyone.

STAY

Two nights, not cash

The offer is two nights of accommodation with a participating host. It is not transferable for money, flights, or a fee.

CONDITION

The host must join

The stay is unlocked when the owner you introduce completes onboarding and is approved. An introduction alone is not enough.

DATES

Calendar first

Nights follow the host's availability. We coordinate with you; we do not override a calendar that is already full.

CONTENT

No mandatory post

We are not buying a reel. If you share the stay, tag isisel.com. If you do not, the stay still stands once the host is live.

ONE OFFER

One partnership unless we agree otherwise

Standard offer is one two-night stay per creator. Larger introductions can be discussed in writing.

CONDUCT

Guest rules still apply

House rules, occupancy, and respect for the home are required. We may decline a stay that cannot be hosted safely.

Reply and name a door.

Tell us the host, the city, and when you could travel. We will take it from there.
